

Maths

In maths we will be focusing on place value and partitioning numbers, We will look at rounding, finding one more and less and comparing and ordering.

French

We will be learning basic greetings, days and months, numbers, how to talk about our age and the seasons.

Art and Design

We will be learning about the artist Paul Klee. We will research his life and work and then produce a piece of artwork inspired by him using pastels.

PE

In PE lessons this term we will be focusing on football and netball.

RSHE

In RSHE we will be learning how to stay safe online and be a good friend.

English

We will be reading the book *Journey to the Centre of the Earth*. From this, we will be writing instructions for how to make a volcano and a recount of the journey they take.

Sycamore Class

Autumn 1

Computing

We will be looking at different digital devices and how they work, connecting to other devices.

RE

During RE lessons we will be looking at the different ways which the Bible is used by Christians.

History

In our History lessons we will be exploring the Stone Age period. We will think about how long ago the Mesolithic period was, what people were like during this period and what daily life was like. We will also research what changes happened during the Stone Age.

Science

In our science lessons we will be learning all about rocks!
We will understand how they change over time and where they come from. We will explore what fossils are and stone structures such as Stonehenge.
