

Reception Homework

Spring 1 2024

Please send any photos to info@normanton.derbyshire.sch.uk

Week 1: W/C 8th January 2024

D&T– Recycling

Please start saving any of your plastic or egg box recycling and bring into school. We will be designing and making lots of sea creatures using our recycled resources.

Week 2: W/C 15th January 2024

HISTORY– Maps

Can you make a map of your house? Hide some 'treasure' and mark 'X'.

Challenge your grown-up to find it. Use 'hot' and 'cold' to help them if they're stuck.

Week 3: 22nd January 2024

COMPUTING

What can you find out about pirate ships?

Ask your grown up what they know, phone a relative, have a look in your books at home, look out when you are watching the television!

Week 4: W/C 29th January 2024

MATHS- The number 8!

Can you line up 8 of your toys? Can you find 1 more? 1 less?

Look out for the number 8 around your house, on the television, bus and door numbers.

Week 5: W/C 5th February 2024

MUSIC– Instruments

When you are watching television, listen out for any instruments you can hear. Can you name them? Show your grown up how you play them.

Week 6: W/C 12th February 2024

SCIENCE– Hot and cold

Can you make ice? What did you have to do? How long did it take?

Can you try and melt the ice? How did you do it?
