location***

Can you help by donating your old school uniform?

Preloved Uniform helps families who struggle to afford new school uniform for their children. We hope to supply free, good-quality second-hand clothing to families where children would otherwise lack basic uniform. To do this, our service relies on the generosity of families who are able to donate good-quality items they no longer need.

We are collecting school clothes, shoes, coats, and PE kits for children aged 4 to 18 years. We would also welcome donations of new underwear and socks.

Donations can be dropped off at Tupton Edge Centre at various times of the week; to find out our timetable or arrange drop-off please email

tupton.uniform@edgeministries.net

If transport is an issue we may be able to arrange collection.

Many thanks,

Tupton Edge Centre
