Welcome to our first Parent Teacher Association Newsletter!

Hello Wonderful Parents & Volunteers!

As we look back at the last school year, we can't help but feel grateful for the amazing support and involvement from each and every one of you. Thank you **SO** Much!! The money we raise will **ALWAYS** be spent to benefit our children. If anyone would like to join our PTA we would love your input and help. We are a group of friends very informal but very hands on, and would welcome new parents. Please speak to Mrs Whittingham in the office if you are interested.
