The School Council were updated on the progress of the garden, and we talked about how we would now need to wait until we had received quotes to enable us to apply for funds. As a school we still intend to raise funds and this will be discussed at the next meeting when everyone is back.

Eva said that her class had asked if we could help the people in Turkey by having a non-uniform day for £1. Henry made a great point about how this would cost parents with more than one child a lot of money and that we should just ask for loose change. It was decided that we would do this on Friday 17th February 2023.

We used the rest of the meeting time to discuss Red Nose Day. Ideas such as wearing something Red or a bake sale were put forward. The School Council could not decide, so it was agreed to go away and think about it and put it to the whole school when we return after the half term holiday.

Actions Taken - Children fed back to their class what we had discussed in the School Council Meeting. Each class was told about non uniform day on 17th February 2023 for loose change in aid of the disaster in Turkey.

Date of next Meeting: 1st March 2023
