

Elm Class Spring 1– Homework Challenges

Challenges can be completed in books or on computers and emailed into school.

Dojo points for each challenge completed

History

We are learning about the Great Fire of London. Can you do some research with your grown ups and find five facts to share with your friends in school?

Computing

Can you create your very own robot that you could give instructions to? You could also create a keypad to enter simple instructions. (this is a junk model project- have fun! ☺)

Art

Can you use everyday objects and paint to practise printing. Try out different colours, shapes and patterns. Can you create a final piece of your own design?

Science

Can you discuss as a family what you need to be happy and healthy? Can you then design a healthy meal for your family?

RSHE

It's all about emotions this half term. Can you keep an emotion diary each day for a week. Think about what has made you feel different emotions. You can discuss this with your grown ups and within school.

DON'T FORGET YOUR WEEKLY HOMEWORK

3 Reads
Practise your handwriting.
