26<sup>th</sup> January 2026

Dear Parents/Carers

As part of our class topic, we are happy to inform you that we have organised a visit to the National Space Centre in Leicester on **Wednesday 11th February 2026**.

During the visit, the children will explore interactive galleries, take part in hands-on science activities, discover the past, present and future of space exploration, and even blast off on an exciting journey into low Earth orbit.

The total cost of the trip is **£22**, which includes coach travel, insurance and entry to the Space Centre. We are very grateful to our PTA, who have kindly subsidised this trip. Payment should be made via **ParentPay** no later than **4th February 2026**.

We will be leaving school promptly at **8.30 am** to avoid traffic, so please ensure children arrive at school by **8.20 am**. We aim to return in time for the normal end of the school day and will keep you informed via text message should there be any delays. Permission forms will be sent home today. Please ensure these are completed and returned to the **school office** (not to the class) by **Friday 30th January 2026**.

**Lunch:** Children will need to bring a packed lunch on the day, as there will be no opportunity to purchase food at the venue. If your child is FSM and you wish to order a free packed lunch please speak to Mrs Whittingam.

We hope this trip will be an exciting, enjoyable and educational experience for the children.

If you have any questions or concerns, please do not hesitate to speak to us.

Yours sincerely

*K Fairest*
