Dear Parents and Carers

Term-time leave

As we move into the brighter months of the year, many of us naturally begin to look ahead to warmer weather, seaside trips, and the familiar appeal of getaways. We completely understand how tempting it can be to take advantage of these opportunities, especially outside of the peak season.

However, we would like to take this opportunity to remind all families that term-time holidays will not be authorised unless there are exceptional circumstances.

Regular attendance at school is essential for children's learning, progress, and overall wellbeing. Even short absences can have a noticeable impact on a child's education, as lessons build upon each other and important experiences cannot always be easily replicated.

While we appreciate the appeal of a holiday, school remains the priority during term time. We kindly ask for your support in ensuring that holidays and trips are planned during the designated school holiday periods. By working together, we can help ensure every child has the opportunity to succeed.

More information on the school's absence policy can be found on the school website.

Thank you for your continued understanding and support.

Sky Nuttall
Education Welfare Officer
