

WORLD HUNGER DAY

Dear Parent / Guardian,

At Mellors Catering Services, we believe that no child should have to learn on an empty stomach. That is why we are reaching out to share how we are supporting **World Hunger Day** this year.

What is World Hunger Day?

Every year on May 28th, World Hunger Day reminds us that over 700 million people worldwide face hunger. It's a day to focus on finding long-term solutions—like better education and reducing food waste.

Hunger isn't just about a missed meal; it's about people not having the money or resources to get the nutrition they need to stay healthy. By working together as a community, we can help ensure everyone has access to the food they need to thrive.

How are Mellors supporting?

- Mellors will be supporting on **Tuesday 9th June** (due to how some school holidays fall).
- All pupils in KS2 will receive a **FREE MEAL**

Why are Mellors supporting?

Mellors have found that many children in KS2 fall slightly outside the FSM entitlement threshold, and we feel it's important for all pupils to be able to access a school lunch. The benefits of having a school lunch include:

- A healthy, balanced, nutritious meal as opposed to some packed lunches
- Helps build healthy eating habits
- It helps learning and concentration
- Reduces inequality

WORLD HUNGER DAY

We've created a menu that is fuelling, nourishing, and sustaining, whilst reflecting the global communities that are impacted most by World Hunger.
