Dear Parents/Carers

I hope this letter finds you well and that you have enjoyed a wonderful summer break with your children.

I am writing to inform you of a permanent change to Leica Carter's role within Aston Community Education Trust (ACET).

Following the resignation of the Principal at Langwith Bassett Primary Academy, I have asked Leica to take on the permanent responsibility of Principal across both Temple Normanton Primary Academy and Langwith Bassett Primary Academy. Leica will be in contact with parents and carers at the start of the new term to explain the leadership arrangements and provide further information about how the academies will be led on the days when she is not on site.

I would like to reassure you that this arrangement reflects ACET's commitment to providing strong, consistent leadership and ensuring that every child has the opportunity to achieve their full potential. This is central to our values of excellence, equity, and empowerment: striving for the highest standards, ensuring every child is supported to succeed, empowering our children and communities, and creating environments in which every child feels valued and able to thrive.

Our priority remains to ensure that both academies continue to provide a safe, nurturing and ambitious learning environment, where children are supported to flourish academically, socially and emotionally. We will continue to work closely with our staff, governors, parents and carers to ensure that both schools remain strong, inclusive and focused on achieving the very best outcomes for every child.

Thank you for your continued support and partnership as we begin the new academic year.

Best wishes

Rebecca Scutt
